

# ROULETTE

The object of Roulette is to place bets on the winning number or section of numbers. The Roulette Wheel has 36 numbers from 1 to 36, plus "0" and "00". The numbers are alternatively colored red and black. "0" and "00" are green.

Players bet by placing chips on the numbered layout. The dealer spins the ball in the opposite direction of the spinning wheel. Bets may be placed until the ball is about ready to leave the track and the dealer calls, "no more bets." The dealer marks the winning number and bets are paid accordingly.
